

MASTERS ROWING CAMP

Plovdiv, Bulgaria

March 27 – April 2, 2018

Inspired by popular demand we present our first ever Masters Rowing Camp in Plovdiv, Bulgaria.

Row daily in a stunning 2200m rowing canal in Plovdiv, the venue of choice for numerous international regattas, including the U23 World Rowing Championship in July 2017.

The city of Plovdiv is remarkable. It is one of the oldest cities in the world. Best loved for its romantic Old Town, packed with colorful 19th-century mansions that house museums, galleries and guesthouses, as well as its magnificent 2nd century Amphitheater.

We will stay in a beautiful hotel right by the rowing canal, at a walking distance from the boathouse, row every morning, with optional row included in most afternoons. Boat selection based on preferences and skill levels. The camp is open for all skill levels, including complete beginners. Coaching provided by iROW Tours founder, rowing coach and Bulgarian native Iva Boteva.

This once in a life time experience is priced at \$2,095 (\$1,845 for iROW clients/previous tour participants).

Included in this price are double occupancy accommodations in a beautiful 4 star hotel by the rowing canal (single supplement \$350), transportation, ALL breakfast, lunches and dinners, daily rowing practices (options for double practice), a guided walking tour of Plovdiv, and a spa credit towards your choice of massage or facial (spa located in hotel) and a wine tasting experience.

In other words the trip is priced to include everything while in Bulgaria. The only thing you need to purchase is your plane ticket and travel insurance.

The max capacity is for 12 rowers, and your non rowing friends are welcome to join us.

To sign up, please send a \$500 nonrefundable security deposit. This reserves your spot in the camp. The remaining amount is due on March 1, 2018. Forms of payment accepted: checks and credit cards (for credit cards please add a 3.5% surcharge).

See you in pLOVEDiv!
